The 8th edition: This new and improved edition brings exciting new features & course structure to give nurses a comprehensive learning experience by using "flipped" classroom methodology

Exciting new features include:

- Virtual learning modules [including avatar-based simulation]
- Interactive teaching strategies
- Electronic open book testing [No more test anxiety]
- Updated evidence-based provider manual

The 2-day Intensive Course provides new skills through lecture time and hands on practice

"In accordance with the Americans with Disabilities Act, please advise if you have any disability that requires special materials and/or services so that appropriate personnel can be advised."

ENA is an accredited provider of continuing nursing education by the American Nurses Credentialing Centers Commission on Accreditation.

The course fee covers course instruction, handouts, and the National ENA verification fee
