

2019 BLS COURSE

NO CALL/NO SHOW & LATE CANCELLATIONS [less than 5 business days], will be responsible for FULL payment

COURSE FEATURES

The BLS Course trains participants to promptly recognize several life-threatening emergencies, give high-quality chest compressions, deliver appropriate ventilations and provide early use of an AED. In the Instructor-led course, students participate in simulated clinical scenarios and learning stations. Students work with an AHA BLS Instructor to complete BLS skills practice and skills testing. Students also complete a written exam.

- ❖ Updated science and education from the new 2015 AHA Guidelines Update for CPR and ECC
- ❖ Instructor-led, hands-on class format reinforces skills proficiency
- ❖ Emphasis on high-quality CPR including a team dynamics classroom activity

HEARTCODE® BLS FEATURES

HeartCode® BLS uses a variety of eLearning assets such as dramatizations, eSimulations, animations, self-directed learning, and interactive activities to teach students BLS knowledge and skills. After completing the online portion, students attend a BLS Hands-On Session with an AHA Instructor. This session focuses on skills. Please call us at 541-844-1328 to purchase a key for the online course. *Once you have completed the online portion, print out your certificate and call us to schedule your in-person skills check*

- ❖ Updated science and education reflecting the 2015 AHA Guidelines Update for CPR and ECC
- ❖ Includes in-facility and prehospital tracks; student chooses his/her track before starting the HeartCode BLS Online Portion
- ❖ Enhanced learning experience through eSimulations, life-like animations, video scenarios, and knowledge checks

NO REFUNDS FOR ONLINE HEARTCODE ONCE KEY HAS BEEN ISSUED

Use of American Heart Association materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for such a course, except for a portion of fees needed for AHA course materials do not represent income to the association.
