

# 2022 BLS COURSE

*Due to the Covid-19 pandemic, ALL STUDENTS are required to follow CDC and public health guidelines including social distancing, wearing a face covering and participating in frequent hand-washing. Please bring a mouth/nose covering to class for your personal use. If you are unable to wear a mouth/nose cover, please contact the Training Center prior to arriving so that we can explore reasonable accommodations. Our training center has additional screening prior to class; per our Covid-19 policies*

## COURSE FEATURES

The BLS Course trains participants to promptly recognize several life-threatening emergencies, give high-quality chest compressions, deliver appropriate ventilations and provide early use of an AED. In the Instructor-led course, students participate in simulated clinical scenarios and learning stations. Students work with an AHA BLS Instructor to complete BLS skills practice and skills testing. Students also complete a written exam.
