### Cancellation/Late Registration/No Show

Late registration is defined as registration received with less than 5 FULL business days [this includes "drop-ins"]

There is also a \$50 fee for all late registrations

No Call/No shows and late cancellations/late transfers [less than 5 FULL business days] will be responsible for full payment. EMT Associates **does not offer refunds** once your registration is complete. If you are unable to attend a course you must contact us 6+ days prior to the start of the class. Our staff will move you to the next available course or issued a course credit. Course credits can only be applied to the same type of course, cannot be used by another person and must be used within 120 days of the missed course. Once a credit is applied, the student must attend that course - a credited course will not be refunded or credited a second time
